# KATRIN HOFSTETTER

## FULL-STACK WEB DEVELOPER

Full-stack web developer with a background in journalism and teaching. Competent in creating websites and applications from concept, layout and interactive elements to server-side and databases. Skilled in the latest practices in web development (HTML, CSS, JavaScript, React, Angular, NodeJS i.a.).

## WORK EXPERIENCE

### Junior Software Engineer

diconium GmbH | Feb. 2022 - now

- Played a pivotal role in driving the project development of a dynamic C2C second-hand online store within an agile environment
- Proficient in core web technologies: HTML, CSS, Sass, and JavaScript
- Extensive experience with React and RESTful APIs
- Utilized Git for version control, ensuring a collaborative and organized development process
- Integrated testing into the development workflow, fostering a test-driven development (TDD) approach

### Crossmedia Traineeship

Ebner Media Group | Sept. 2020 - Feb. 2021

- Created 97 online articles and 3 podcast episodes for special-interest magazine Internetworld from idea and research over independent writing and proofreading to researching for suitable image material and interview partners
- Organized editorial schedule and layout plan to get new magazine published in less than one month
- Edited and proofread articles of external authors and claimed their submission in the allotted time frame
- Designed and launched my own weekly newsletter about the latest news in Social Media Marketing to attract more users and inform them about Social Media Marketing

### Online Editorial Internships

Lokale Stimme GmbH & Münchner Merkur | Jun. 2019 - Mar. 2020

- Researched, wrote, edited, and designed online articles
- Conducted interviews and on-site reporting and attended city council meetings
- Edited and cut own photo and video material
- Worked with Google Analytics and WordPress
- Posted on Social Media (Facebook, Twitter, Instagram)

### Trade fair hostess and promoter

self-employed | Jan. 2019 - Jan. 2020

- Product presentation and explanation, inquiring about customer needs
- Greeting, assisting and informing customers
- Assigning appointments, forwarding interested parties to specialist personnel

### Traineeship as high school teacher

Gymnasium Donauwörth and Gabrieli-Gymnasium Eichstätt | Feb. 2018 - Dec. 2018

- Independent teaching (planning and implementation of individual lessons, units and sequences)
- Reflection on lessons taught
- Assessment and revision of students' work and oral student contributions
- Further training in subject-specific and general pedagogical seminars

## EDUCATION

### Full-Stack Development Bootcamp

CareerFoundry | Jun. 2021 - Dec. 2021

- Completed a 941 hours full-stack development training program under the supervision of industry leading Senior Front-End and Full-Stack Web Developer
- The project-based program is divided into 2 parts, Introduction to Front-End Development and Full-Stack Immersion
- Studied and trained through a total of 7 achievements from 60 exercises and 7 projects
- Built multiple projects from scratch using HTML5, CSS3, Sass, JavaScript, TypeScript, Node.js, React, React Native, Angular and jQuery
